PLAYERS ARE TO ATTEND 1 TRYOUT DATE

8U EAGLES

>If you are 8 years old or under on April 30, 2008<

Players will learn and develop key fundamental skills that are needed as a little league player. These skills will be taught and sprung into action during game situations. All players will have the opportunity to play most positions on the field.

At the end of the year our goal is for every player to have had a fun and educational experience– These guys will be itching to get back out there on the field for next season.

8U PRE- SEASON PRACTICE SCHEDULE

Monday– 6/2 & 6/9 4:00PM– 5:30PM

9U EAGLES

>If you are 9 years old or under on April 30, 2008<

9u– One of the most influential times of a young ballplayers life. PBI understands this key stage, and coaches accordingly. Players will learn and sharpen the fundamentals of the game in order to create a deep-seated base that will stick with them thru the years to come. It is our goal to win every game we play, but #1 is the development of these young players.

Our 9u team has been one of the most successful teams in the Eagles program with close to a dozen playoff appearances and many championships under their belts.

9U PRE- SEASON PRACTICE SCHEDULE

Tuesday– 6/3 & 6/10 4:00PM– 5:30PM

10U EAGLES

>If you are 10 years old or under on April 30, 2008<

The 10u Eagles will continue to develop & cultivate players' skills. Our focus will be on helping players learn how the dynamic of the team and game work according to their responsibilities at their position. Players will play most positions on the field. As the season progresses we will find a position that players perform best, and focus our efforts there.

The 10u team is always a contender each season, and has captured numerous division and championship titles.

10U PRE- SEASON PRACTICE SCHEDULE

Tuesday– 6/3 & 6/10 4:00PM– 5:30PM

11U EAGLES

>If you are 11 years old or under on April 30, 2008<

This is perhaps one of the most competitive age levels of Little League baseball. Advanced team fundamentals, offensive and defensive strategies must be understood & performed seamlessly in order to be successful at this level. The 11u team will bring your game to a faster paced higher developed level.

11U PRE- SEASON PRACTICE SCHEDULE

Thursday– 6/5 & 6/12 4:00PM– 5:30PM

12U EAGLES

>If you are 12 years old or under on April 30, 2008<

Our 12u program plays on the intermediate 50/70 field in order to help ease the transition of little league baseball to the “real” baseball of the high school size field. But have no doubt about it– this is no little league team. The main focus of this team is to teach players how to execute and perform all the skills needed at the next level. This is achieved in practice, but mainly on the game field in the heat of battle.

12U PRE- SEASON PRACTICE SCHEDULE

Thursday– 6/5 & 6/12 4:00PM– 5:30PM

13U & 14U EAGLES

>If you are 14 years old or under on April 30, 2008<

Larger field, even greater responsibilities. This is usually a “lost” level of baseball– in between little league & high school; a transitional period. The goal with all of our 13u & 14u players is to prepare them for high school baseball. Players will be challenged and held accountable more than they may be accustomed to in order for them to become a smarter & more refined player. Next stop... High School.

Note: Depending upon returning players moving up, age breakdown, and skill levels at the tryout– 13u & 14u teams may be created, or 13 & 14 year olds will be combined for one 14u team.

13U & 14U PRE- SEASON PRACTICE SCHEDULE

Wednesday– 6/4 & 6/11 4:00PM– 5:30PM
