## THE EAGLES EXPERIENCE GIVES ITS PLAYERS A DISTINCT ADVANTAGE

The PBI Eagle teams have created a tradition of excellence. Our top caliber coaching staff has been cultivating championship players for years. The Eagles program looks to attract highly motivated and committed families who want to soar with us into championship territory for this year and the years to come. The Eagles coaching staff continuously develops top talent starting at the little league age groups that filters up to our 13u & 14u Jr. Eagles teams, our High School (15u & 16u) teams, the PBI 17u Travel Showcase Squads, and to the professional prospect North Jersey Eagles franchise in the Atlantic Collegiate Baseball League.

Armed with PBI's Major League background as both players and coaches, all Eagle players will gain the knowledge and develop the skills needed to compete at a higher level of play. All serious ballplayers will experience tremendous benefits that will last with them throughout their entire baseball careers.
