Our unique approach to baseball training is **EFFECTIVE** and **GUARANTEED** to produce results. Teaching the timeless principles of **THE GAME OF BASEBALL** is what we do - with a passion. Your child will be treated with respect and will be taught how to become a better ballplayer. The information below highlights PBI's program content.

Jim, Clint Hurdle, Doug

**HITTING & BASERUNNING** (maximum 32 students) - designed to teach beginner through advanced Little League players in skills: proper grip, stance & swing plane, upper & lower body hitting mechanics, hitting for power, develop a "feel" for the strike zone. Several hitting stations will be set up including live hitting. Our hitting programs are recognized as 5 STAR by Colorado Rockies Manager Clint Hurdle. Base running techniques will help improve speed and quickness, and teach the proper way to slide.
