

COLLEGE VIDEO

COLLEGE COACHES & RECRUITERS LIKE TO SEE A VIDEO OF PLAYERS THAT ARE INTERESTED IN THEIR BASEBALL PROGRAM. COLLEGE PROGRAMS ARE INTERESTED IN YOUR ACADEMIC AND ATHLETIC SKILLS AS WELL AS YOUR APPEARANCE, ATTITUDE AND PERSONALITY.

College Video Specifics

PITCHERS– will throw all of their pitches live off the mound to a catcher from both the windup and stretch. You will be videoed from camera angles that showcase your mechanics, your overall pitching skills, and to get a good view of the action on your pitches. Radar Gun readings will be posted on the video.

CATCHERS– will catch a live pitcher. You will be videoed from camera angles that showcase your receiving skills, blocking skills and throwing skills to second base. Coaches will be able to see your pop time from the video.

MIDDLE INFELDERS (SS & 2B)– will field routine ground balls, forehands, backhands & slow rollers from camera angles that showcase your overall skill and mechanics. You will also showcase your arm strength, and make live double play feeds and turn double plays around the bag.

3rdBASE– will field routine ground balls, forehands, backhands & slow rollers from camera angles that showcase your overall skill and mechanics. You will also showcase your arm strength, and make live double play feeds.

1stBASE– will field routine ground balls, forehands, backhands & slow rollers from camera angles that showcase your overall skill and mechanics. You will also showcase your arm strength, make double play feeds, and your footwork “around the bag” will be videoed.

OUTFIELDERS– will field routine ground balls and fly balls from camera angles that showcase your overall skill and mechanics. Balls in the gaps will be included to showcase your angle to the ball as well as fly balls directly overhead. Outfielders will also showcase your arm strength.

HITTING– skills will be part of all videos (with the exception of pitchers that do not hit). You will be videoed from camera angles that showcase your mechanics, power & pop off of the bat.

***Note:** Defensive and Offensive skills are typically videoed in separate sessions.*

Come well groomed and in full uniform. The video workout can be demanding, so be prepared. Proper rest and nutrition prior to taping are essential to showcase yourself at 100%. In order to prepare for your video, PBI suggests you take a pre-video evaluation with a PBI coach. The coach will help to not only prepare your skills, but also prep you mentally in order to be showcased at your best in your video. Remember; first impressions are extremely important. Your video may be the first opportunity for college coaches and recruiters to see you showcase your skills!
